

6th EUROPEAN WORKSHOP on EQUINE NUTRITION

presents on 20-22 June 2012

Feeding horses with forage based diets and impact of grazing systems on environment

Dear All,

On behalf of the Portuguese Organising Committee and the Scientific Committee of the 6th **European Workshop in Equine Nutrition: “Feeding horses with forage based diets and impact of grazing systems on environment”** we would like to invite you to submit original work for consideration for an oral or poster presentation at the forthcoming conference to be held at the Faculty of Veterinary Medicine, Technical University of Lisbon, Lisboa, Portugal.

The scientific programme will focus on seven main topics divided in sessions on the 20th and 22nd of June 2012 with main reports given by invited speakers, and free communications and posters devoted to each session. Also a technical tour is included (on 21th of June) which’s main purpose is to show and promote the local horse breeds, main uses and traditions and also to divulge some investigation related with the meeting subjects.

Abstract Submissions deadline will be 14th of November!

We would also like to extend the invitation to your family and colleagues to partake in the wonderful social events included in EWEN 2012’ Programme, and to remind you of the benefits of scheduling and reserving your presence by registering until the 1st of March 2012.

We look forward to seeing you at the meeting,

Ana Sofia Santos

and

Maria João Fradinho

(Chairpersons of the National Committee)
