Society**

Membership Application

Types of Membership:

Voting Members – All persons engaged in equine research, teaching, extension, or production shall be eligible for membership. Documentation (current CV) of activity must be provided for review by the Membership Committee upon application for membership. Voting members will be notified of the activities of the Society on a regular basis. Please see Article IV, Section 1 of the ESS Constitution for Rights of Voting Members.

Corporate Members – Organizations interested in equine research, teaching, extension, production, or those interested in furthering the objectives of the Society are eligible. Documentation of activity must be provided for review by the Membership Committee upon application for membership. The designated contact for Corporate Members will be notified of the activities of the Society on a regular basis. Please see Article IV, Section 2 of the ESS Constitution for Rights of Corporate Members.

General Members – Individuals interested in equine research, teaching, extension, production, or those interested in furthering the objectives of the Society are eligible for membership. General Members will be notified of the activities of the Society on a regular basis. Please see Article IV, Section 3 of the ESS Constitution for Rights of General Members.

Student Affiliate Members – Undergraduate and Graduate students of accredited colleges and universities may become Student Affiliate Members. Application for student membership must be sponsored by a full member. Student members will be notified of the activities of the Society on a regular basis. Please see Article IV, Section 4 of the ESS constitution for Rights of Student Members.

Journal of Equine Veterinary Science (JEVS) is an international publication designed for the practicing equine veterinarian, equine researcher, and other equine health care specialist. Published monthly, each issue of *JEVS* includes original research, reviews, case reports, short communications, and clinical techniques from leaders in the equine veterinary field, covering such topics as laminitis, reproduction, infectious disease, parasitology, behavior, podology, internal medicine, surgery and nutrition. *JEVS* is also an official publication of the Equine Science Society.
